SESSION	IN-SERVICE SESSION DETAILS	SALE PRICE	# SESSIONS	TOTAL
<b>LOOSE PARTS</b> 2 Hour Hands on Workshop	This session gives practical examples of how loose parts can be used in an environment to promote open ended play, support independent thinking and foster sustainability. During this session, participants will take part in a hands-on workshop where they can jump in, take hold, pull apart, rearrange and invent using whatever materials they have within their reach.			
<b>CREATING A CULTURE OF ADVENTUROUS PLAY</b> 2 Hour Hands on Workshop	This session will inspire you to think about how to bring back the joy and freedom to childhood, while addressing regulatory requirements, duty of care and community attitudes. This workshop provides examples and useful strategies to support children in taking on challenges, and explore how to design a learning environment that enables children, supports their competence, growing independence and most of all encourages adventurous play!			
<b>SUPPORTING CHILDREN'S BEHAVIOURAL DEVELOPMENT</b> 2 Hour Hands on Workshop	The goal of this in-service professional learning session is to increase the educator's understanding of the significant role they can play in supporting a child's learning and development with a particular focus on social and emotional development.			
<b>GET IT TOGETHER</b> 2 Hour Hands on Workshop	An introductory session that shows how this specific FDCAQ resource will assist the family day care community to recognise and confidently discuss the quality outcomes for children that already exist within FDC. The resource components are interlinked and build on existing practice. The Get IT Together resource allows educators and practice mentors to go deeper in their thinking and develop a stronger insight into their practices to enhance the outcomes for children.
